ACGC Cargo Boutique – One Pill for All Logistics Pain

WE TURN PAIN INTO
PERFORMANCE

- ✗ Complex supply chains, no optimal routes.
 - ✗ Lack of competitive, transparent pricing.
 - ✗ No visibility on cargo delivery route.
 - ✗ Endless paperwork, delayed responses.
 - ✗ No instant booking option.
 - ✗ Slow, impersonal communication.
 - ✗ Limited capabilities – restricted to general cargo
- ✓ Optimized routes.
 - ✓ Digital speed.
 - ✓ Transparent pricing.
 - ✓ Technology-driven.
 - ✓ Human-centered.
 - ✓ Built for every cargo type.

AI Cargo Assistant

The screenshot shows the AI Cargo Assistant interface. At the top, there's a small icon of a person in a vest and the text "AI Cargo Assistant". Below this is a circular profile picture of a young boy with blue eyes and blonde hair. The text "AI Cargo Assistant" and "Your Virtual Assistant" is displayed next to the profile. A message box says "Welcome to AirCGC! Call me AI Cargo Assistant, I'm here to help with your quote generation today." Below the message box, there's a small icon of a person in a vest and the text "Chose one of the following:". At the bottom of the interface, there are three buttons: "Get Quote", "Ask Question", and "E-commerce Questions". A text input field with the placeholder "Get a quote.." is at the bottom, along with a small up arrow icon.
